FOR VICE PRESIDENT, HENRY W. WILSON. OF MASSACHUSETTS.

ELECTORS.

THE GREAT VICTORY.

THE magnificent victory won by the Republicans of Pennsylvania on to be proud of their great achievment. Well and thoroughly did they wage against Col. Lemon. the contest, while the Union locked doubtful of the result. Never in all in the district as 1336. our annals, was so desperate, so formidable, so mad an assault made upon the leader of our forces. Truth, decency, and every instinct of mancontests of the country. Led by conto wrest victory from our grasp.

and quietly, confident in his own integrity, General HARTRANFT confronted the enemy. Nobly did the people rally to his defense, and signal has been the triumph. A ma- inst. may be summed up as follows: jority of Thirty-five thousand in the State, a Governor, Auditor General, Judge of the Supreme Court, Twenty-two out of twenty-seven members of Congress, a majority of two in the Senate, and twenty in the House, the Senator and State Treasurer are the three) Members of Congress, fruits of our victory

Add to this the certain fact of a the result of this contest has assured the efforts of any party. - Commrecial. -and the Republicans may well feel contested, and so magnificently won.

OUR COUNTY.

We point with pride to the official the ticket through, &c., &c. returns from this county, as evidence energetically worked for that end. are against him; and that of course proof materials! The steel works, their special assaults, tell of their mortifying and signal failure. The election of the county ticket was conceded county, was elected Judge in Schuyland therefore no special effort was kill county, by 2,500 majority. Mr. nately no lives lost

we congratulate you. You have pendent of all political questions. silent, if not active aid, of the honest Democrats.

A PURIFIED PARTY.

Not the least gratifying of the results of our glorious victory, is the purification of the party, by the trans-fer to the unfortunate Democracy, of Theatre Struck by Lightning-Train for Murder. McClube, Forney, Curtin and their squad of bummers. These men who ments of the party, had come to hearsal of the "French Spy." that without them the party was not. lightning passed down the gas the fire is unknown. The result of the election proves

WHILE the Greelevites in Wash ington city abandon all hope of suc-WEDNESDAY, . . . October 16, 1872 cess in November, and Tammany gives it up, and is concentrating all its efforts to save the Democratic State ticket in New York, the Tribune is lustily shouting fraud over the Pennsylvania and Indiana elections, and trying to persuade its dupes that Horace can yet be elected. Its readers however remember that after GREELEY'S return from this State it confidently predicted Buckalew's election by a large majority, claiming over twenty thousand majority for him outside of Philadelphia. So notorious has that journal become for its foul abuse of Republicans who oppose GREELEY, and so mendacious its statements, that it has no longer influence with men of sense. It is evidently only "whistling to keep its courage up.

REDEEMED.

We have redeemed our Congressional and Senatorial districts, lost Tuesday of last week was a perfect hitherto through the folly of our own Appomattox to the enemy. The bat-political friends.
